

Clara, Pittsford, N.Y.

My dear Mr. Eastman,
It will be very
convenient to show
you books after
office hours when-
ever you telephone
me you are com-
ing. For this

time, you get only the
daylight effect and I
would be disappointed
if I were not so sure
you will want to come
later to see the Patio in
the moonlight and star
light. Mr. Gordon says
you do not like arcades
and here it is the
whole scheme. But we
are both sure, you will
be a convert to these
lacey arcades.

Yours Truly, Kate Gleason
