

Moyla, penn. May 25, 1910.

My dear Annie,

Mrs. Belmont has designed a flag--a blue field with four bitw stars for the suffrage states, and it is her idea that on Decoration Day it is a good thing to decorate the graves of our Suffrage Heroëst. She sent a number of these flags to the Convention in Washington to be sold, and when we offered her the money for them--\$4, she would not take it but asked that we get some flowers for the graves of Aunts Susan and Mary. So Miss Shaw and I knew of no more loving hand or heart in the city of Rochester to attend to this than your own, and so I am enclosing a check of \$4 for this purpose, and will ask please if you will get wreaths or laurel or palms or whatever seems to you best, and perhaps in the nature of something which last for some days and place on the graves of these two dear ones. Surely the Nation will honor none who will deserve it more than will these two. I will send two of the flags tomorrow so that these may be placed on the graves also.

With a great deal of love to you from both Miss Shaw and myself, and a hope that all is well with you and yours,

I am affectionately,

Luz E. Anthony
