Dear Anna

We are just  
going to start for New Orleans  
— we take the 11.15 — train on  
the Southern R. way — via Atlanta,  
Montgomery & Mobile — I haven't  
looked at the papers to see  
how the flood are — but  
it seems good to think I  
have you to look after the mail  
& see that nothing drops while  
I am gone — You got home  
from Albion last night & hope  
you found all well & right on  
your return —

all is well that ends well -  
Mrs Harper will go to new job  
in a week or so - She is very  
tired - She finds nothing fit  
to eat - I think she will be  
asking you are big for a  
boarding place - If she would  
pay enough to compensate you - it  
would be good - Has she talked  
spoken of it - but she is  
casting about - and doesn't know  
where to go!! - I will tell you  
later - when I get home  
affectionally yours, Gilbert
