

17 JUNE, 1954

Dear Mrs. Conole,

I received your letter today and I cannot begin to tell you of what a shock it is to learn of the news of Irene as I know it was to you and believe me in this time of sorrow I wish to extend my deepest sympathy.

However let us remember that in times like these that one must have faith in the Lord and that his is the divine will.

Irene and I were very close friends and I liked and respected her a great deal as I feel everyone did that knew her and she was a great credit to both her family and

her uniform. I find it hard to believe that she is gone but I know that she will always live in my memory as the Nurse I knew. If there is anyway I can be of service to you please feel free to call on me and so I shall remain -

Your With Kindest Regards,
Rosalind Montague
