Well-dear Anna -

Another week has gone by -  
we both went to Silver Lake on Friday - I thought  
of you - but it proved a rainy day - so there wasn't so  
much fun in it - Had to see many people -  
Mary came home with Mrs. Shaw & Harriet King  
Mills - and I stopped at Wagoning and Stair  
until yesterday - with Mrs. Cooney - who has  
twenty visitors - and six girls to do the work -  
I went into her laundry yesterday A.M. - it was a  
right to see the marking machine - two wringers - &c  
- then beside the canopy - she has two distinct & separate  
kitchens - with two ranges - and pantries & tables -  
- and when they - Mrs. Cooney & the visitors - day  
& girls washed the dishes in the dining room - it  
look like a whole blow - store - there were so many  
dishes - I remained there three days - We expected  
Cousin Jessie Anthony - of Los Angeles - to arrive this  
A.M., but she hasn't come yet - she may be stopping at the

opposition for the day - tomorrow - we go to dinner  
with Anna O. - at 6.30. - her mother Bacon is visiting  
her - - Margaret's mother came yesterday - she at first  
thought she must go altogether to <sup>her</sup> Aunt's - to visit with her  
mother - but her mother told her to stick to her work -  
so she will stay and do the work - and visit in the  
afternoon & evening - she is very quiet - but gets good  
meals - well - I hope you are enjoying yourself  
and Mrs Barber - by the way - I hear nothing  
from Miss Ripley - I shall be happy to see her -  
- isn't she able to go to Grand Rapids this  
week? - Write love to Mrs Barber or W. of them -

Yours as ever
